Read This to Know How Your Current Support Can Best Benefit Your Sponsored Child.

Dear _____,

I want to thank you again for your sponsorship to <Child's Name>. Your contribution is helping your sponsored child to have...

- A loving environment that promotes confidence and self-esteem.
- Education to defeat illiteracy and provide critical skills to become a leader in his community.
- Supplements to protect against malnutrition.
- Adequate health care.
- Recreational activities that protect your child from crime, violence and danger.
- Christ-centered spiritual guidance to overcome fear and hopelessness.

The help from sponsors like you is helping so many children! But there is a way you can help even more...

You see, credit/debit card processing fees come to nearly \$4 million per year from all sponsors combined!

Can you imagine how much more we could transform children's lives if we redirect that money to our program centers? This will greatly benefit the children we serve by reducing operational expenses.
